EDWIN T. COULBOURN
SUFFOLK, VIRGINIA

It is with pride that your Board of Education presents to you the Class of 1956 - the product of twelve years work - and other classes, in varying stages of progress through your Schools.

How well we have performed the task that you have assigned to us can only be determined in the years that lie ahead. The records established by our graduates of the past, we think, justify our feeling of confidence in the work of our staff.

We believe that the group we now present as graduates measure up in all respects to the type of educated citizens that you, our stockholders in this enterprise, have the right to expect.

Sincerely,
Edwin T. Coulbourn
Edwin T. Coulbourn, Chairman,
Suffolk City School Board

Chairman's Message

Foreword:

As all corporations publish an annual Statement of Condition, we herewith present to our stockholders and other interested parties The Peanut of 1956, being our faithfully rendered account of resources and liabilities. Our plant, Suffolk High School, opened for business in 1923 and has maintained a regular schedule of production from that date. We have found it necessary to change models every year but we like to think that each design bears our special hallmark. Upon examining this report you will observe that our formula combines equal parts of "Labor", "Management", and "Program" blended with a liberal amount of school spirit and a dash of competition, the whole somewhat tempered by the pressing need for expansion of our facilities. We invite your continued support and patronage. Given, for the Staff, under our hand and seal,

Cindy Lucyle
Editor

Subscribed and sworn to before me this 11th day of February, 1956, in the Clerk's Office of the Circuit Court of the City of Suffolk, Virginia.

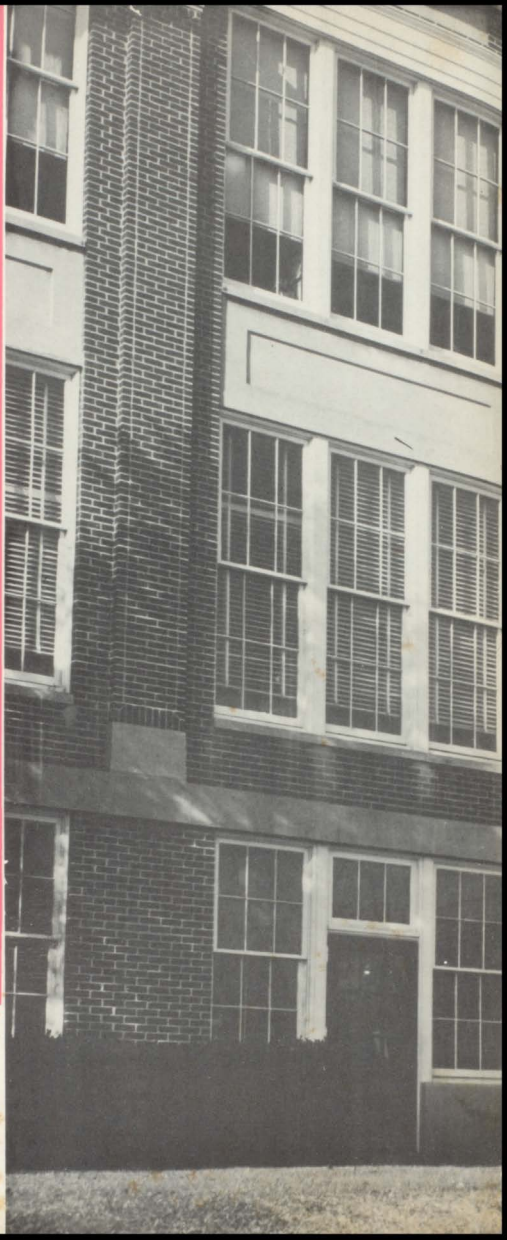
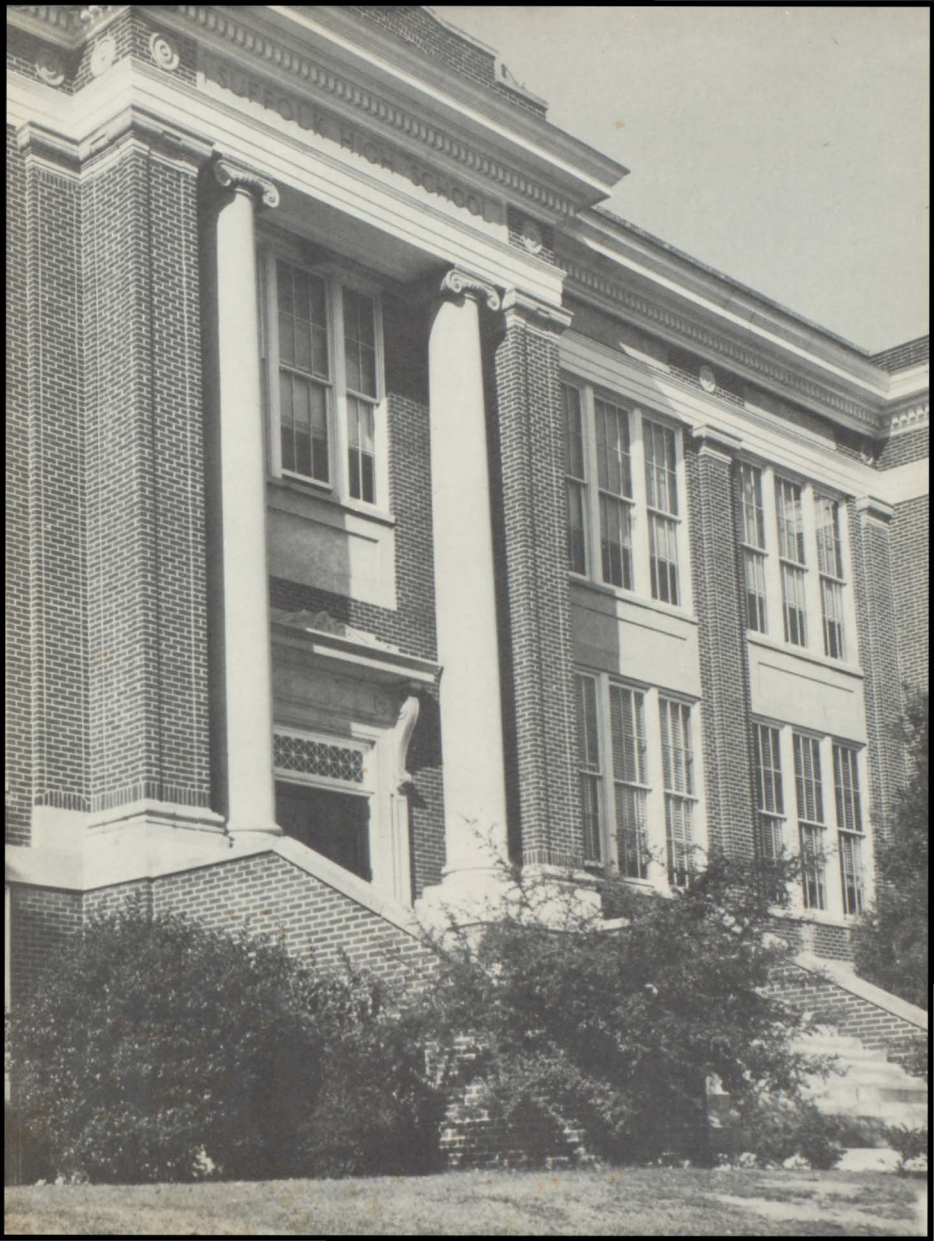
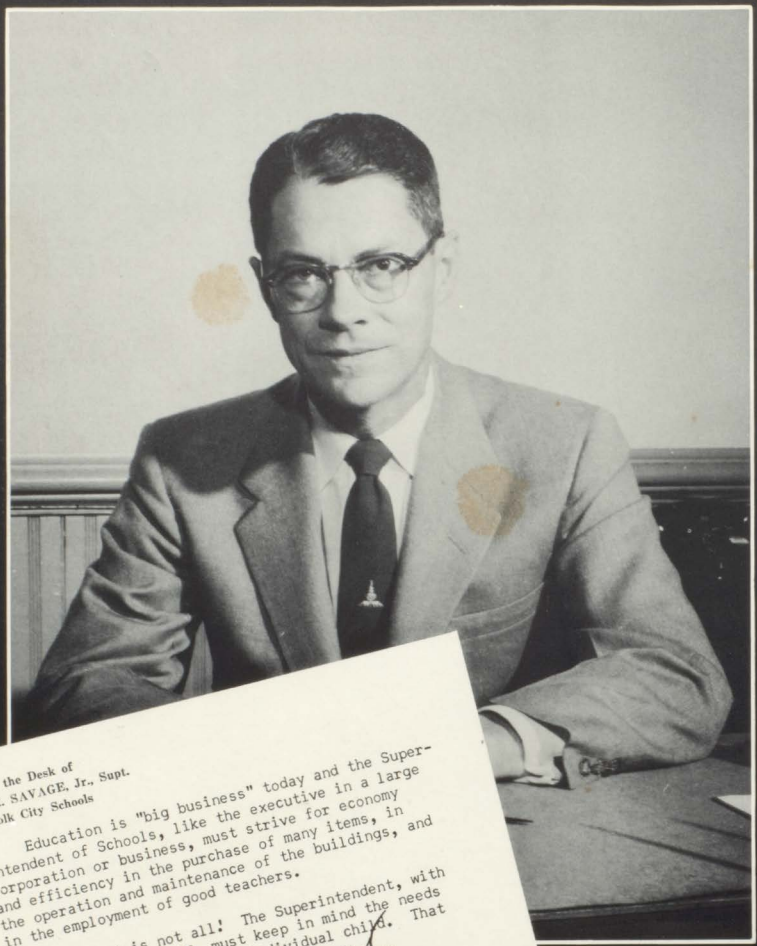
THE PLANT





SUFFOLK HIGH SCHOOL

General Manager



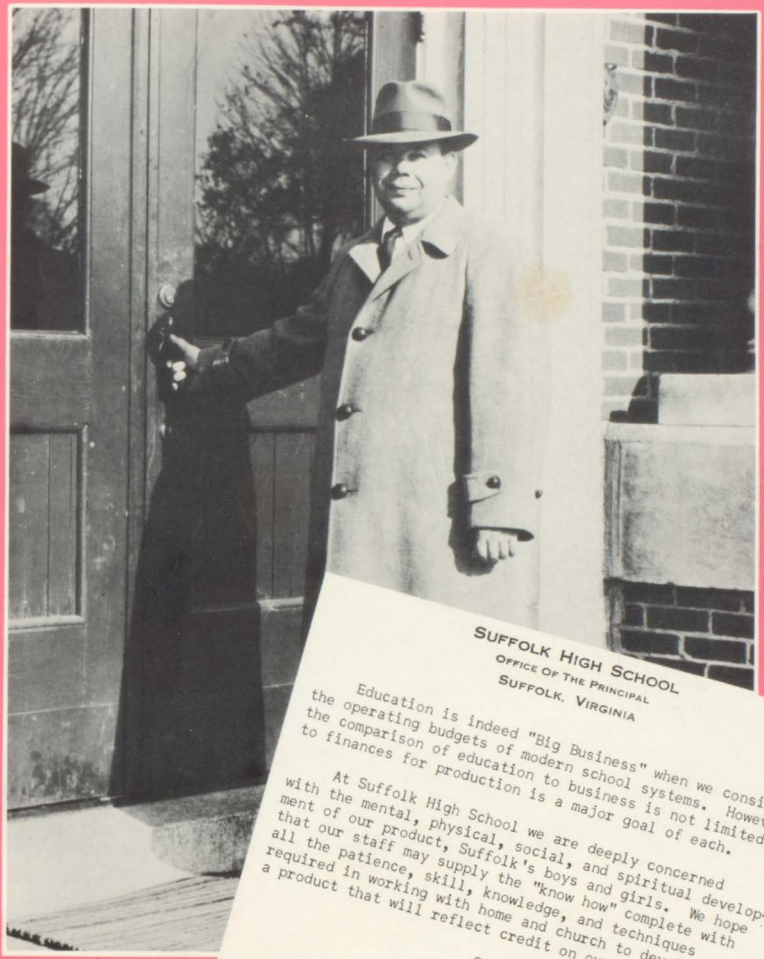
From the Desk of
W. R. SAVAGE, Jr., Supt.
Suffolk City Schools

Education is "big business" today and the Superintendent of Schools, like the executive in a large corporation or business, must strive for economy and efficiency in the purchase of many items, in the operation and maintenance of the buildings, and in the employment of good teachers.

But that is not all! The Superintendent, with the help of his staff, must keep in mind the needs and potentialities of each individual child. That is our responsibility and our challenge.

W. R. Savage Jr.

Plant Manager



SUFFOLK HIGH SCHOOL
OFFICE OF THE PRINCIPAL
SUFFOLK, VIRGINIA

Education is indeed "Big Business" when we consider the operating budgets of modern school systems. However, the comparison of education to business is not limited to finances for production is a major goal of each.

At Suffolk High School we are deeply concerned with the mental, physical, social, and spiritual development of our product, Suffolk's boys and girls. We hope that our staff may supply the "know how" complete with all the patience, skill, knowledge, and techniques required in working with home and church to develop a product that will reflect credit on our community.

Sincerely,

Henry B. Brockwell

Principal

Dedication

To the parents of the 1956 graduates of Suffolk High School we dedicate, with respect and affection, Volume XXXIV of our Annual Report. You are the "silent partners" without whom this "Special Dividend" could never have been declared. Please accept this simple tribute accompanied by our prayer that we may ever merit your love, deserve your sacrifices, and reflect credit upon our Alma Mater.

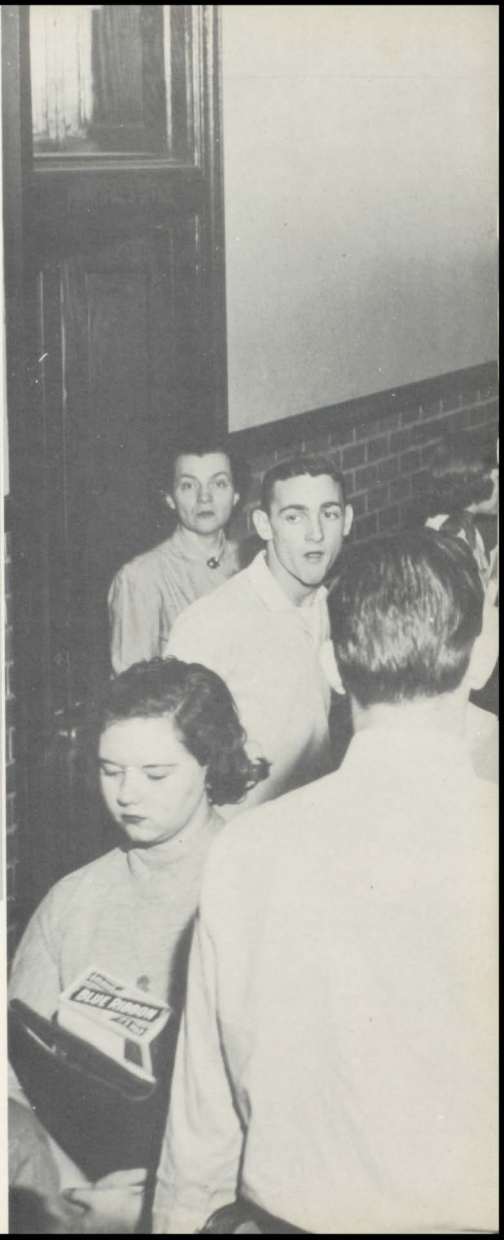
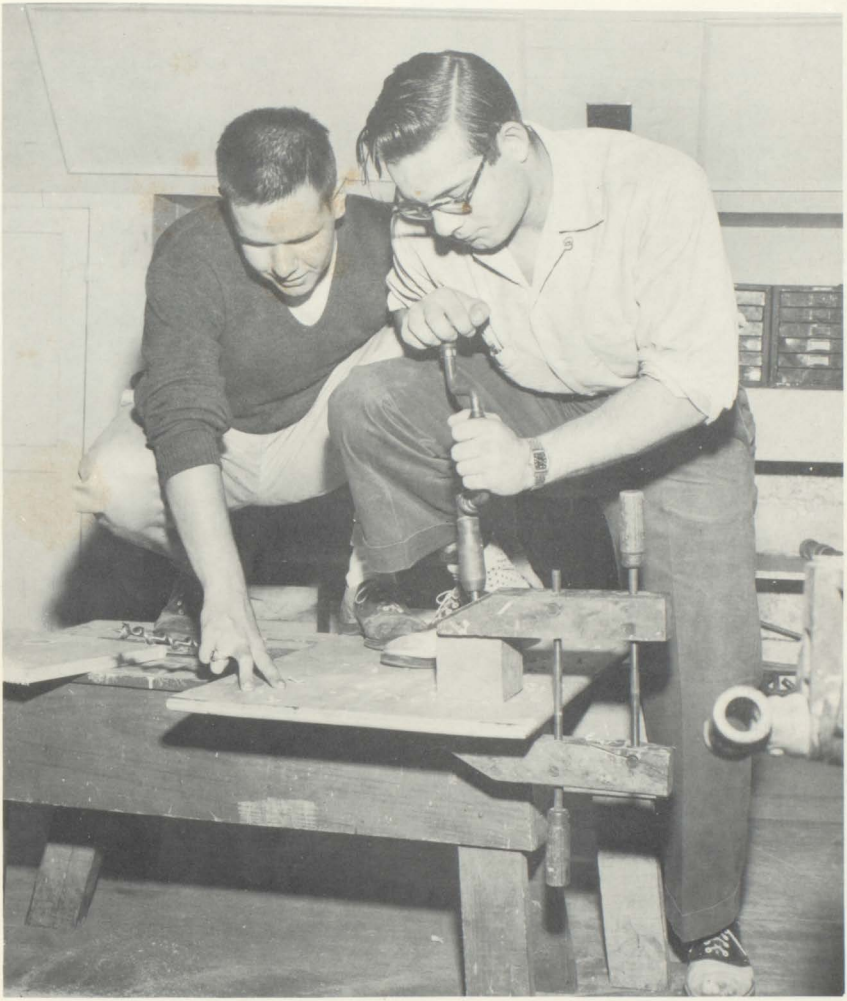
PROGRAM



In-Service Training

Mrs. Carter supervises one very important phase of the Home Economics program. Here are some of her girls engaged in "Operation Meat Loaf". Their "star boarders", the Key Club members, will be along any minute now to keep their regular Monday lunch date.



Here two of our "shop-boys" demonstrate the use of the brace and bit. The Industrial Arts Department, under the supervision of Mr. Hill Kilby, is devoted to the art of "Do-It-Yourself".

Parr, Wills, Schnitzer, Oliver

Health Education and Intramural Sports

Head up, chin in, shoulders back, chest straight! Silhouetted in our corridors are the winners of the Posture Contest, a part of the Health Education program. Sam Oliver and Dot Parr took first honors and Mark Schnitzer and Martha Wills were runners up.

WINNING SOCCER TEAM: (Front) Pond, J., Habel, A. Ervin, G., Hayes, V., Ellis, T., Harrell, L., (Middle) Leggett, M., Aragon, D., Wills, M., Mitchell, S., Thompson, H., Hines, C., Thomas, L., LoCascio, S., Whitfield, A., (Back) Cudlipp, A., Howell, J., Shotton, P., Parker, C., Miss Thompson, Pruden, J., Walton, C., Birdsong, S., Brinkley, G.

This is how you hold the stick! The first crisp days of fall find Miss Thompson getting the hockey team "on the ball."

First Aid

Is there a doctor in the house? Nevermind, we don't need one with Mr. Moffo's medics close at hand. This is artificial respiration in the natural manner.

Social Studies

The scene is a class in World Geography. The central figure is Mr. Joe Foulkes, "everybody's weatherman", on loan from WTAR-TV. He is flanked by two enterprising members who asked him to talk about meterology. This is how we use community resources.

Speech

The topic might be any one of several. The speaker happens to be a well-known local Cicero. The place is definitely Mr. Myatt's Forum, where debates, prepared orations, and extemporaneous speeches are turned out daily.

Library

Please, may I renew just once more? What happened to Sports Illustrated? Whether the request is related to the serious business of preparing a term paper or the equally important one of leisure reading this is the place for you. Mrs. Dixon graces our library with just the right combination of iron hand and velvet glove.

Guidance and Testing

Can you use a scholarship? Then see Miss Bell. As the director of our greatly expanded services, she will help you survey the possibilities like the National Merit Scholarship Tests which are the subject of this conference.

Counting the horses under the hood! Mr. Jones conducts the course in Driver Education, which SHS pioneered in this area.

Offers from nationally recognized galleries welcomed! Who knows but what a "still life" from the Perts Art School may some day compete with the Van Goghs.

We may not know a hexachord from a hexagram but this is unmistakable harmony form Mr. Imperial's successful All-State Band Contenders.

The Dailey Grocery has a junior partner trained by the Distributive Education Department in the art of pleasing every customer.

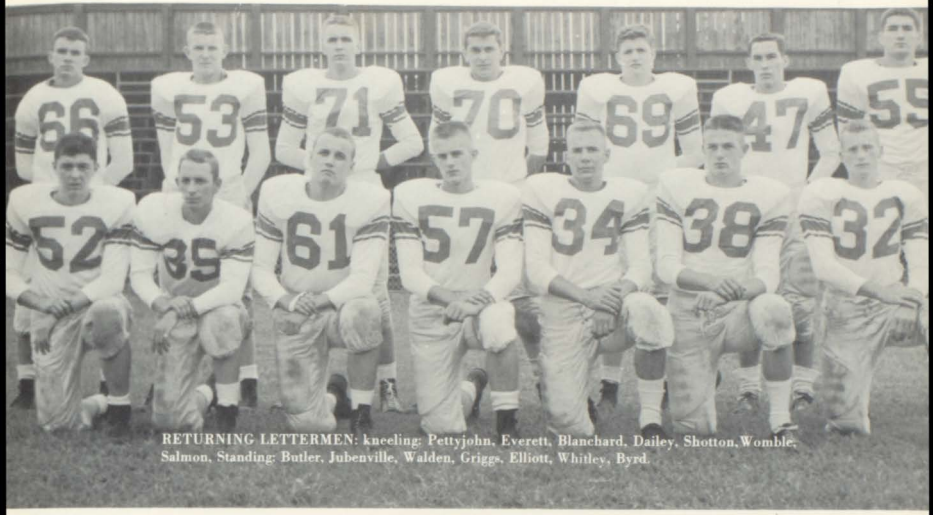
Captain Alton Byrd leads Raiders on the field for first game.

The Suffolk Red Raiders' first season in roup 1 proved a little rough in football. They on only one out of five from Group 1 schools, his being a 7-0 victory over Granby. Against roup II competition, the team recorded 3 ut of 5 victories. In their last contest they de- ated Group II District I champion, Smithfield. he score was 9-6. Against Norview, the new tate Champions the Red Raiders' defense held hem to their lowest points in a single game of he year. Suffolk lost 13-0.

Many of the losses in the 4-6 record were ecause of injuries to key players.



RETURNING LETTERMEN: kneeling: Pettyjohn, Everett, Blanchard, Dailey, Shotton, Womble, Salmon. Standing: Butler, Jubenville, Walden, Griggs, Elliott, Whitley, Byrd.

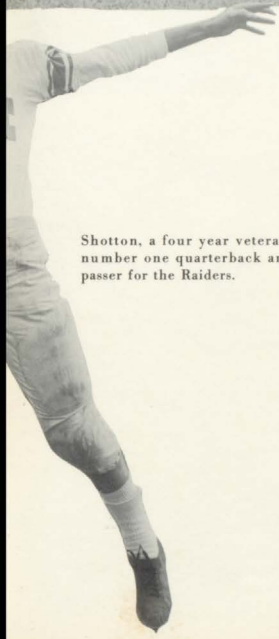
Head Coach Dick White outlines a diagram of play with Assistant Coaches Jones and Moffo and J. V. Coach Furr.

STARTING LINEUP

Linemen, left to right: Runnels, Griggs, Blanchard, Walden, Pettyjohn, Elliott, Byrd. Backs, left to right: Salmon, Shotton, Whitley, Womble.

Whitley, a triple threat, carried most of the load for the team as a hard charging fullback.

Womble, the speedster of the backfield, broke away on many runs and was equally as good as a passer.



Shotton, a four year veteran, number one quarterback and passer for the Raiders.

Wilson vs. Suffolk

Peanut Bowl

The highlight of this year's football season was the Peanut Bowl Game on November 11, 1955. Our opponent was Wilson High School of Portsmouth. Anna Moore, the Peanut Bowl Queen, and her maids Jo-Kitt Brothers and Bayla Goldberg were chosen by the Red Raiders. Adding a touch of pomp to the occasion was the presence of the Honorable Mills Godwin, our state senator, who crowned the queen.

Seniors on Capitol Hill

The government classes, accompanied by Miss Yates and Mrs. Burton, spent a day in Richmond visiting the Capitol, the House of Delegates, the Senate, and St. John's Church.

This is the year we "peanuts" became "brisk tea" drinkers—not that this undermined our original allegiance, you understand, we just happen to like the combination.

Naturally we wanted to go visiting, so faculty members, geography classes, Business Education students, and their little brothers and sisters have streamed out to LIPTON TEA, where Mr. John Byrne, plant manager, welcomed us graciously. Familiar faces of S.H.S. alumni among the employees add another proof of the friendly relationship between us and our community's newest enterprise. From one "big business" to another, a GREAT BIGWELCOME.

Miss Yates seems to be getting some help on the football programs from the GURLEY PRESS. They are extremely helpful in any school activity, especially arranging and preparing the football programs which we enjoy so much. Let's remember them for all sorts of printing, and thanks, Miss Yates, for those programs!!!

For all sorts of general hauling it's WEBB'S TRANSFER. They carry everything from peanuts to furniture, so when you need to move or haul something, remember WEBB'S!

Mr. Bill Rupp, chief engineer, and Mr. Earl Hundley, commercial manager of W.L.P.M., are preparing a program for the air. This station is very helpful in making announcements just for Suffolk High students. You listen to W.L.P.M. because they have enjoyable and varied programs which are of interest to all.

George is trying to find Sue a pair of Spaldings at RUSSELL & HOLMES. She may be sure to find shoes for more dressy occasions as well as for school. Next time you need some shoes of any kind, RUSSELL & HOLMES is the place to buy them.

If J. T. and Herbert want the best in overcoats, they're at the right place. "Tink" and Bruce will show y'all stylish suits and sweaters, too, at the ESQUIRE SHOP.

This is a place I'm sure you know. Here you buy the corsages for the Junior Senior Prom and other school social activities. The flowers are always fresh and the arrangements are really beautiful. The name of the place? Why, PINNER'S FLOWER SHOP, of course!!!

Jane and Pearl are certain to find a record player that they like at MONTGOMERY WARD'S. Girls, there's also a nice selection of dresses and coats downstairs. You'll probably want to stop there on your way out.

Here's Beverly, Judy and Martha going into the PALACE THEATER, where they're sure to see the best in movie entertainment. All the best movies that come to Suffolk are shown at the PALACE.

Look s like Ann has made up her mind, but Anne Garland and Mary Russell can't decide with so many nice things to choose from. Come on, girls! There are always many customers in the gift department of BYRUM'S HARDWARE, so don't keep everyone waiting!

Here's the gang at BRADSHAW'S. There's always a crowd there, especially after school. "Meet 'cha at BRADSHAW'S" has become a very popular saying around Suffolk High. Irving can fix some mighty nice cokes, as the smiles of those in our picture will endorse.

Anne, it looks as if you've chosen your silver. It's a pretty pattern. BREWER'S has beautiful crystal and chinaware, too. You can always find an appropriate gift for every purpose at BREWER'S.

Bill and Dick are working hard to get those POND BROTHERS PEANUTS shipped to places where you can get them. POND'S JUMBO PEANUTS are famous throughout Peanutland for their delicious taste and their large size.

What's this? David and Billy buying tools? Your cars haven't broken down, have they? If they have, y'all are at the right place 'cause WESTERN AUTO has everything for cars. Also you might want to look at those nice boat motors for this summer. WESTERN AUTO has a motor for every boat.
